Verse 1:
C                G7                              C
Rosy cheeks and turned up nose and curly hair
F                G7                              C                G7
I’m raving ‘bout my baby now
C                G7                              C
Pretty little dimples here and dimples there
Cm      G         D7          G         D7 G              D7 G
Don’t want to live without her - I love her goodness knows
D7 G         D7        G         Bdim  D7     Bm D7 G       G7
I wrote a song about her And here’s how it goes

Chorus:
C                                                               G7
Baby face - You’ve got the cutest little baby face
C       A7
There’s not another one could take your place - Baby face
D7                                       G7
My poor heart is jumping You sure have started something
C                                                             E7                         Am
Baby face - I’m up in heaven when I’m in your fond embrace
F         Cdim                       C         A7
I didn’t need a shove ‘cause I just fell in love
D7     G7       C
With your pretty Baby Face!

Verse 2:
C                G7                              C
When you were a baby not so long ago
F                G7                              C                G7
You must have been the cutest thing
C                G7                              C
I can picture you at every baby show
Cm      G         D7          G         D7 G              D7 G
Just winnin’ every ribbon with your sweet baby way
D7 G         D7        G         Bdim  D7     Bm D7 G       G7
Say honest I ain’t fibbin’ You’d win ‘em all today
