Peter Van Steeden, Harry & Jeff Clarkson 1931 ukesterbrown.com (1st note sung is G)

C **B**
Evening marks the close of day,
Bb **A**
Skies of blue begin to grey,
G# **G** **C** **C#dim** **G7** **G7#5**
Crimson hues are fading in the West;
C **B**
Evening ever brings to me
Bb **A**
Dreams of days that used to be,
G# **G** **C** **Cdim** **C**
Memories of those I love the best.

C **B7**
When shadows fall
F **C** **G7**
And trees whisper day is ending,
F **C** **B7** **C** **C#dim** **G7** **G7#5**
My thoughts are ever wending Home.
C **B7**
When the crickets call,
F **C** **G7**
My heart is forever yearning,
F **C** **G7** **C** **Cdim** **C**
Once more to be returning Home.
Fm6 **C**
When the hills conceal the setting sun,
Fm6 **G#7** **G7**
Stars begin a peeping one by one.
C **B7**
Night covers all
F **C** **G7**
And, though fortune may forsake me,
F **C** **G7** **C** **Cdim** **C6**
Sweet dreams will ever take me Home.
