Verse:
G7 C                      Dm7 Cdim Dm7        G7    C
It happened in a flower shop just the other day
Dm7                   G7           C      G7
When I went to order a boquet
C                       Dm7  Cdim    Dm7         G7        C
I walked up to the florist, but— before I could begin
D7                                                         G     Gdim G
A man rushed in and then I heard him say:

Chorus:
G Cdim   G7     C                        B7
I want some red roses for a blue lady;
E7                    F7          E7      A9       A7
Mister florist, take my order please.
Dm             G7               Em   Am
We had a silly quarrel the other day
D7                                                            G Gdim G
Hope these pretty flowers chase her blues a—way.
G Cdim G7      C                        B7
Wrap up some red roses for a blue lady;
E7                           F7         E7      A9    A7
Send them to the sweetest gal in town.
Dm                   Fm6         C                    A9
And if they do the trick, I'll hurry back to pick
Dm7            Cdim    C           G7          C
Your best white orchid for her wedding gown.
