With Plenty of Money and You

Harry Warren & Al Dubin 1937 www.ukesterbrown.com (1st note sung is A)

```
D                  A7                    D
I have never envied folks with money
  B7                     E7          F#m  D  Bm7 A
Millionaires don't get along- so well,
 D                   C#7              F#
I have you, but haven't any money
             Gd       C#7                  F#    A7
Still the combination- would be swell;

Refrain:
A7  B7
Oh! Baby what I couldn't do-ooo-oo
          E7
With plenty of money and you-oo-oo
     A                                        A7
In spite of the worry- that money brings
           D   N.C.                        D         E7   A7
Just a little "filthy lucre" buys a lot of things
                  B7
And  I could take you to places- you'd like to go
         E7
But outside of that, I've no use for dough
           D                          F#7             Bm
It's the root of all evil, of strife and upheaval,
       Em7            F#m          Em7               F#m
But, I'm certain, honey, that life could be sunny,
          Em7       F#m     A7  D
With plenty of money and you!
