

# Baby Baby, All The Time

Robert W. "Bobby" Troup 1946 song sheet ukesterbrown.com (1st note sung is G)

**C Cm6**  
Once I had a gal, As sweet as she could be.  
**C C#dim**  
Once I had a gal, And she was right for me.  
**Dm6 Ddim**  
Kinda sandy hair, Eyes so soft and blue  
**C Dm6 G7**  
That you couldn't help but care, When she looked at you.  
**C#dim Ddim D#dim Dm6 G7 C Dm6 G7**  
She called me "baby"... "baby", all the time.

**C Cm6**  
She said, "baby, can't you see? baby, understand  
**C C#dim**  
Baby, you're for me, Won't you take my hand? "  
**Dm6 Ddim**  
But I pushed her away, Wouldn't let her near  
**C Dm6 G7 C#dim**  
Pushed her far away, Now I'm wishing I could hear her  
**Ddim D#dim Dm6 G7 C Dm6 G7**  
Call me "baby"... "baby", all the time.

-interlude-

**C Cm6**  
It's so lonely through the day, Lonely through the night,  
**C C#dim**  
Lonely, lonely hours, Without that gal I held so tight.  
**Dm6 Ddim**  
Lord, I pray that you, Will listen to my plea.  
**C Dm6 G7**  
Keep her close to you, So she'll come back to me,  
**C#dim Ddim D#dim Dm6 G7 C Dm6 G7**  
And call me "baby"... "baby", all the time.  
**Dm6 G7 C**  
Baby... Baby, all the time.
