Johnny Mercer 1944 ukesterbrown.com (1st note sung is F)

A#7 **A7**
Get in touch with that sundown fellow
Bbm7 **Cm6**
As he tiptoes across the sand
Bbm7 **G#**
He's got a million kinds of stardust
A#7 **D#7**
Pick your favorite brand... and

Chorus:

G# **G**
Dream when you're feelin' blue
G#6 **F7**
Dream that's the thing you do
Bbm7 **G#**
Just watch the smoke rings rise in the air
A# **D#7**
You'll find your share of memories there so
G# **G**
Dream when the day is thru
G#6 **F7**
Dream and they might come true
Bbm7 **G#** **F7**
Things never are as bad as they seem
A# **D#7** **G#**
So Dream, Dream, Dream
