

On A Coconut Island

R. Alex Anderson 1936 www.ukesterbrown.com (1st note sung D)

Verse:

G D7 G
Shipwreck would be a pleasure with you
D7 G
Most any tropic island would do
C
Somewhere with coconut palms
G
Somewhere with you in my arms
D7 G D7
Shipwreck would be a pleasure with you... just you

Chorus:

G Gdim D7
On a Coconut Island I'd like to be a castaway with you (you-oo-oo-oo)
G D7
On a Coconut Island there wouldn't be so very much to do
G G#dim D7
I would linger a while and gaze into your lovely eyes of blue
G
Then I'd walk for a mile and come running back to be with you
Gdim D7
There the waves would make a pair of willing slaves
D#7 C7 D9 G
Of you and me forever
Gdim D7
And for days and days and days
D#7 C7 D9 G G#dim D7
We'd never gaze out where the ships go sailing by
G Gdim D7
On a Coconut Island I'd like to be a castaway with you
G G6
On a Coconut Island where we could make our dreams come true
