Verse 1:
```
 C          Bdim       D7    Dm7        G7         C  G7
Oh, what a night  for dancing, A night like this you know
 C             Bdim    Em    Am            D7  Fm6 G7
Was made for loves romancing, The moon is all aglow
Dm               A7        Dm  D7                 G Gdim  G7
    It spells temptation to me, Right now I'd like to be...
```

Chorus:
```
  G7                        C       F7        C   Gdim
Snuggled on your shoulder, Cuddled in your arms,
  G7                        C        Fm6       C       Gdim
Dreaming while I'm dancing, Thrilled by all your charms.
 G7                        C      F7    C  Gdim
While the music's playing, I'm in ecstasy
  G7                        C       Fm6   C  B7
Sweetheart, hear me saying, "This is heavenly"
  Em      B7                Em                 B7
Dancing- while lights are low, What a grand sen-sation
  Em      B7                Em         Gdim D7 G7
Dancing- you ought to know, You're my inspiration
 G7                        C      F7        C      Gdim
Let me dance forever, Dream about your charms
  G7                        C       Fm6       C
Snuggled on your shoulder, Cuddled in your arms
```

Verse 2:
```
C        Bdim      D7  Dm7        G7        C  G7
Oh, listen to   that cello, It seems to melt my heart
 C        Bdim     Em  Am            D7  Fm6 G7
The melody's so mellow, It say's we'll never part
Dm            A7              Dm    D7              G Gdim G7
    My very soul, sweetheart sighs, For I'm in Paradise.
