

# Underneath the Minnesota Moon

K.M. Fields & WM. Warvelle Nelson 1930 ukesterbrown.com (1st note sung is G )

## Verse 1:

**C** **Dm**  
In dreams ev'ry night; In all my thoughts of the day  
**C** **A7** **D7** **G7**  
The land of Hiawatha always calls me,  
**E7** **C**  
The bright lights fade away, I long to go and stay  
**D7** **G7** **G7+**  
Up there amid the lakes and old pine trees.

## Chorus:

**C** **F7** **C**  
The Minnesota moon is shining high above tonight  
**G7** **C G7**  
Thru stately pines the evening shadows fall  
**C** **F7** **C**  
The laughing waters ripple on the many lakes below  
**G7** **C**  
While waving grain sweet memories recall  
**F** **C**  
Oh, Minnesota moon please hear my lonely heart— tonight  
**D7** **G7** **G7+**  
And guide me back to loved ones very soon  
**C** **F7** **C**  
No other place I'd rather be- It's God's Paradise to me  
**D7** **G7** **C**  
Out underneath the Minnesota Moon-

## Verse 2:

**C** **Dm**  
Where ever I stray, No matter where I may be  
**C** **A7** **D7** **G7**  
I always dream the many scenes of childhood,  
**E7** **C**  
Though wealth may come my way, Or vagabond I be  
**D7** **G7** **G7+**  
I'll always long to live amid wildwood.
